d-COPIA 120D and 150D

MULTIFUNCTIONAL DIGITAL COPIERS

The Olivetti d-copia 120D and d-Copia150D are the perfect multifunctional desktop digital copiers for small offices and professionals. Their **plug&play** configuration, the **intuitive use of the operator panel** and the quick and **clean replacement of consumables** are strenght keys that make job activities easier.

Both models come with a standard **duplex module** and **colour scanning capabilities**, activated either by the fast button on the operator console or from the PC. For storage application the machines are supplied with a **software programme** which help users organise a digital data archive.

These multifunctional **products differ on speed** (12 and 15 ppm respectively) **and on configuration**: d-Copia 120D comes with a cover for originals and **d-Copia 150D** has a 30-sheet **automatic document feeder**.
